WINE ENTHUSIAST
MARCH 2019

92 Points - A blend of 88% Sauvignon Blanc and 12% Sémillon marks the inaugural vintage of this Bordeaux-inspired white. White peach, apricot and pear flavors mingle with seamless acidity to give it a long-lasting sense of lushness.

MARCH 2019

92 Points - It is a rich, vibrant wine, with fine texture and a lengthy finish. The predominance of Sauvignon Blanc allows you to enjoy it now, but I believe it will improve within the next five years. It has 13.9 percent alcohol. It might turn out to be Dry Creek Vineyard's finest white wine.
